Smoking Cessation Counselling Fee and Smoking Cessation Add-on Fee – Available to physicians who initiate dialogue with their enrolled patients who smoke, and provide dedicated subsequent counselling sessions.

Unattached Patient Fee: A one-time fee of $150 payable to physicians who roster acute care patients previously without a family physician, following discharge from an inpatient hospital visit. The patient must be rostered by the physician within three months, and primary care services provided. This fee is not payable in addition to existing “new patient fees.”

New Graduate–New Patient Incentives

During first year of practice in a PEM (commenced within three years following graduation), new graduates will be allowed to bill a new patient declaration fee of $100. This per patient fee is available for rostering up to 300 persons who qualify as new patients and have completed the prescribed “New Patient Declaration Form.” New graduates include International Medical Graduates (IMGs).
